" Auditor, corporation of the city of Bangalore

Sanctions

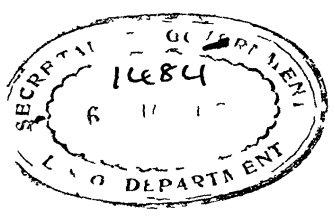
Letter No B 12-18/53/C.A. dt 23.12.53
from the commissioner, Bangalore
corporation requesting sanction to
convert one of the posts of the Asst
Engineers in the corporation to that
of Deputy Engineer and to absorb
Sri B V Vittal murthy, Asst Engineer
in this post

The resolution dt 22-12-52
passed by the Bangalore corporation
is enclosed The Asst Engineer grade
is Rs 250-25-450 plus DA Rs 50 plus
+Rs 75 +C.A The post of a Deputy
Engineer in grade Rs 450-25-600
+ Rs 75 BA + Rs 75 C A is proposed to be
created for reasons stated by the Commr
In this first the corporation has proposed
to appoint Sri Vittal murthy who is drawing
Rs 425

2) In views whether the chief Engineer may be
consulted in the first instance as to the
creation of the post of a Deputy Engineer in
the corporation with reference to the existing
grades in the P W D as also on the proposal
to appoint Sri Vittal murthy in this post.

3) The chief Engineer may be
consulted in the matter

Secy
Dept



CREATING THE POST OF A DEPUTY CORPORATION ENGINEER - SRI B V VITTAL MURTHY

---

4) There is no doubt that the volume of public works undertaken by the Corporation is very heavy It is very difficult for the Corporation Engineer to attend to this work all by himself He should have the assistance of a Deputy who will relieve him of a large quantity of routine office work The proposal to have a Deputy Corporation Engineer may therefore be approved

5) The grade of the Corporation Engineer is Rs 800-50-1,000, The grade of the Deputy Corporation Engineer has been proposed at Rs 450-25-600, which may be considered reasonable and also approved The Corporation proposes to appoint Sri B V Vittal Murthy, B Sc , B Sc ,(Tech), who is the senior-most Assistant Engineer in the Corporation as the Deputy Corporation Engineer Sri Vittal Murthy is already drawing a salary of Rs 425 and there can be no objection to his being appointed - against the new post It is always usual that when an Officer of the Public Works Department is drawn to the Corporation, he gets higher - emoluments in view of the extra and ardous - duties that he has to perform I would refer to the cases of Sri R Madhavan and Sri L H Manchigiah The latter is drawing a substantive pay of only Rs 650/- in the Public Works Department The Corporation have now recommended a pay of Rs 950/- together with allowances This proposal is separately under consideration of Government, and the Chief Engineer was not consulted in that matter There is no need to consult the Chief Engineer also in this case

6) The Corporation have recommended a Duty Allowance of Rs 75/- and a Conveyance Allowance of Rs 75/- per month The Officer concerned is now drawing a Duty Allowance of Rs 50/- and a Conveyance Allowance of Rs 75/- I feel that there is no need to enhance the Duty Allowarce If this is done the immediate extra cost may be only Rs 25/- per month

7) The proposal of the Corporation to create the post of a Deputy Corporation Engineer in the grade pay of Rs 450-25-600 may therefore be approved

8) The recommendation of the Corporation to appoint Sri B V Vittal Murthy to the new pos may also be approved The allowances to the post ~~that will carry~~ may be Rs 50/- as Duty Allowance and Rs 75/- as Conveyance Allowance

Chief

24/4

17) The file should have been submitted to me first as Sri Vittal Murthy is an officer working in the Bangalore city Corporation Instead, after receipt of the file from the C E, the P W D Secy has subd the file direct to the Rev & P W D Ministr which should not have been done Why was the file not subd to me first ? Who is responsible for this irregular procedure ? Should this not pass thro' F/D as ~~sto~~ was done in similar cases ? How long is the Officer working in the Corporation ? What are the rules governing the employment of Govt officers ~~in~~ in Local bodies ?

1647
29 APR 1953

26 4 53

28/4

18) The file should have been submitted to the Minister

for L S G & P H in the first instance In fact that was how it was marked in Para 8 The file has been wrongly submitted to the Minister for Revenue & P W D, in the first instance - This is probably the mistake committed by the Diarist under the impression that the file - should be sent to the Ministers in order of juniority as required by Cl 5 of the Mysore Government Secretariat Instructions

19) The file has been seen by the Financial Secretary in para 11 above The Officer has been working in the Corporation of Bangalore - from the date the Corporation was started Prior to that he was working in the Bangalore City Municipality from 22 9 1948 There are no separate rules governing the employment of lent - officers in Local Bodies apart from those mentioned in Art 47 & 361 to 382 of the M S R The practice has been to fix the pay of each officer in consultation with the Local Bodies For example, in the case of Sri Manchigiah, his permanent pay in the Public Works Department is only Rs 950/- His pay as Engineer of the Corporation has been fixed at Rs 950/- in the grade Rs 800-50-1,000 together with a Conveyance Allowance of Rs 175 In the case of Sri B V Vittal Murthy, his permanent pay in the Department is Rs 425/- The Corporation has proposed to fix him in the grade Rs 450-25-600 together with a Duty Allowance of Rs 75/- and a Conveyance Allowance of Rs 75/- He is now drawing a Duty Allowance of Rs 50/- and a Conveyance Allowance of Rs 75/- and it is proposed to continue the same allowances in Para 8

(G V K RAO)
29 4 53

Min L S G & P H)

20) I am not satisfied with the explanation in para 18 The P W Sectt is responsible for the mistake Instead of returning the file to the L-S G Secy, it was sent to the Rev & P.W.D Ministr direct Such mistakes should not recur.

21) I do not think that the cases of Sri R Madhavan & Sri Manchigiah can be quoted in support of the present proposal

7577/mc 8512/mc

Creating the post of a Deputy Corporation Engineer - Sri B V Vittal Murthy

---

of the Corporation The post of Corporation Engineer carries a grade pay of Rs 800-50-1000 Their pay as Corporation Engineers was only fixed in that grade The present proposal is to create a new post altogether.

2) As there is nothing to indicate that the Fl-Secy has agreed to the proposal of the Corporation, the file may please be referred to him for opinion in the first instance

CORPORATION OF THE CITY OF BANGALORE

No B12-1813/52-53

CORPORATION OFFICES,
BANGALORE

Dated 23rd December 1952

FROM

K HENJERAPPA, ESQ., B A, B L,
COMMISSIONER,
CORPORATION OF THE CITY OF BANGALORE,
BANGALORE

C M 1-53-3/4

To

The Secretary to the Government of Mysore,
Local Self Government and Planning Departments,
Bangalore.

SIR,

I write to state that consequent on the formation of the Corporation of the City of Bangalore the offices of the two Executive Engineers of City and Civil Station were merged into one and one Corporation Engineer was appointed for the whole of Bangalore It is now felt that the work of the Corporation Engineer has become heavy to be managed by one Officer. The City has expanded on all sides during the last few years and private layouts are springing up and the jurisdiction of the Corporation Engineer has become heavy and too unwieldy In addition to his executive work, the Corporation Engineer will have to attend several Standing Committee Meetings viz., works, Town Planning & Improvements, and Taxation & Finance and also Health some times, and these meetings would take away much of his time There is also considerable office work and a huge volume of correspondence to be attended to by the Corporation Engineer every day In order to secure efficient check on works and to enable the Corporation Engineer to bestow greater attentio to major and other improvements works and also to assist the Corporation Engineer in his office work namely, disposal of petitions, references, slum clearance schemes and other projects connected with the improvement of water supply and provision and of underground drainage to Civil Station, it has been found absolutely necessary to appoint a Deputy Engineer and appor the work suitably between the Corporation Engineer and Deputy Engineer Proposal for converting one post of

Assistant Engineer to that of a Deputy Engineer on 450-25-600 + D A 75/- + C.A.75/- was placed before the Standing Committee (Works) The name of Sri B.V. Vittal Murthy, B.Sc ,(Tech) senior-most Assistant Engineer in the Corporation, was recommended to be appointed to the post He has foreign qualifications to his credit and has specialised in Municipal and Sanitary Engineering He has considerable experience and is thoroughly conversant with the works and has proved himself to be an efficient officer in the Corporation Both these proposals were approved by the Standing Committee (Works) at the meeting held on 3rd December 1952 and the subject was placed before the Standing Committee (Taxation & Finance) who at their meeting held on 18-12-1952 approved the recommendation of the Standing Committee (Works) The subject was finally placed before the Corporation on 22-12-1952 who unanimously approved of the creation of the place of Deputy Engineer in grade Rs.450-25-600 by converting one of the posts of the Assistant Engineers as stated above and appointment of Sri B.V Vittal Murthy, as Deputy Engineer in the said place Sri B.V. Vittal Murthy is drawing a salary of Rs.425/- + D A 50/- and C.A Rs.75/- and he may be appointed on Rs.490/- in grade 450-25-600 D A 75/- + C A 75/- and the extra cost involved by this conversion will be Rs.2413/- per annum. It is well worth incurring this extra expenditure considering the need for such a post and the benefits that will be derived in the interest of the Corporation work and important schemes that are under contemplation for the year 1953-54 In these circumstances, I request you to kindly obtain and communicate approval of the Government early, to the resolution of the Corporation Copies of the resolutions of the Standing Committee (Works) Taxation and Finance and Corporation are enclosed with the proposition statement in triplicate for reference

Forwarded with compliments

(B V Lankappa,)

Yours faithfully,

K Henjerappa,)

Subject: Representation of Sri. R.A. Sampathiengar, B.A.,B.E Assistant Engineer, No.1, Sub Division, Kolar.

Sir,

I beg leave to place before you the following lines for favour of your kind perusal and favourable consideration.

After passing B.A., from Central College, Bangalore in First Class in the year 1925, I joined the Engineering College and passed the B.E. Degree Examination in Civil - Engineering in 1929 very high. I joined the Mysore Public Works Department in 1930 and I am now working in Kolar as Assistant Engineer, No.1, Sub Division, Kolar.

During this period of over 22 years, I have worked in several capacities. I have worked in Visweswaraiah Canal area from 1931 to 1939 and have been responsible for the design and execution of Maddur, Karagod and Cauvery branches. Thereafter I worked as Personal Assistant to the Chief Engineer of Mysore, Bangalore, and lastly before coming to Kolar worked in the City Improvement Trust Board, Bangalore, for over 3 years. During this period, I was incharge of the underground Drainage works of Bangalore City, both in respect of Design and Execution. I have completed the long delayed and difficult works such as, laying of the Duplicating main of Malleswaram and the Drainage of Eastern portion of Malleswaram. I designed and executed the underground drainage works for Jayanagar Extension in a very short period of six months. Government have recognised the good and honest work that I did in the Trust Board.

I learn that Sri. B.V. Vital murthy, Assistant Engineer who is now working in the Corporation of Bangalore and is -

P.t.o.

junior to me by eight places is being proposed as Deputy Engineer in Corporation on a salary of Rs.500-25-600.

In this connection, I wish to bring to your kind notice that I have been discharging duties to the appreciation of all my superiors all these years., and have executed very important Nation Building Works.

I may be permitted to state that I have in addition a very high General University Qualification and I also stand the next Officer eligible for promotion. have also had good experience in the City Improvement Trust Board, Bangalore in the execution and Design of Municipal works.

I therefore request you kindly to recommend that in view of my experience, good records and seniority, I may be recommended for the post of the Deputy Engineer in the Corporation of Bangalore City.

Thanking you,

Yours faithfully,
R.A. Sampathiengar

Besides his executive duties he has to attend a number of meetings of the various Standing Committees and of the Corporation. Also a considerable volume of office work and correspondence has devolved upon him which is taking away much of his time. In order to relieve him of some of the office routine such as disposal of petitions, references, slum clearance schemes and other projects connected with water supply and drainage in the Civil Area and to enable his devoting greater attention to major and important works, the Corporation at its meeting held on 22nd December 1952 has resolved to convert one of the Assistant Engineer's post in the Corporation to that of a Deputy Engineer in grade Rs.450-25-600 plus Rs.75/- D.A. and Rs.75/- C.A. and to appoint Sri B.V.Vittal Murthy in this post in view of his being one of the most efficient officers in the Corporation.

The Secretary to Government, Finance Department, who was consulted in the matter has agreed to the proposal.

The Minister for Public Health and Local Self-Government to whom the file was submitted has been pleased to minute as follows:-

"The proposal to convert one of the five posts of Assistant Engineers in the Bangalore City Corporation into Deputy Corporation Engineer on a scale of Rs.450-25-600 and to appoint Sri B.V.Vittal Murthy to it on tenure may be approved. He will continue to draw duty allowance of Rs.50/- and conveyance allowance of Rs.75/-"

The Chief Minister has been pleased to order the disposal of the question by Circulation. A Circulation Note is accordingly put up.

DRAFT COUNCIL RESOLUTION.

"The Council approves the recommendation of the Corporation to convert one of the five posts of Assistant Engineers in the Corporation to that of a Deputy Engineer in grade Rs.450-25-600 and to appoint Sri B.V.Vittal Murthy against this post on a tenure basis with a duty allowance of Rs.50/- and conveyance allowance of Rs.75/- per mensem."

LSG.10/7.7

CIRCULATION NO.

Subject:- Creating the post of a Deputy Engineer in the Corporation of the City of Bangalore.

With the merging of the City and the Civil Station Municipalities into a single Corporation, the work of the Corporation Engineer has become too onerous and unmanageable. Besides his executive duties he has to attend a number of meetings of the various Standing Committees and of the Corporation. Also a considerable volume of office work and correspondence has devolved upon him which is taking away much of his time. In order to relieve him of such of the office routine such as disposal of petitions, references, plan clearance scheme and other projects connected with water supply and drainage in the Civil Area and to enable him devoting greater attention to major and important works, the Corporation at its meeting held on 22nd December 1952 has resolved to convert one of the Assistant Engineer's post in the Corporation to that of a Deputy engineer in grade Rs.450-25-600 plus Rs.75/- D.A. and Rs.75/- C.A. and to appoint Sri L.V.Vittal Murthy in this post in view of his being one of the most efficient officers in the Corporation.

The Secretary to Government, Finance Department, who was consulted in the matter has agreed to the proposal.

The Minister for Public Health and Local Self-Government to whom the file was submitted has been pleased to minute as follows:-

"The proposal to convert one of the five posts of Assistant Engineers in the Bangalore City Corporation into Deputy Corporation Engineer on a scale of Rs.450-25-600 and to appoint Sri B.V.Vittal Murthy to it on tenure may be approved. He will continue to draw duty allowance of Rs.50/- and conveyance allowance of Rs.75/-"

The Chief Minister has been pleased to order the disposal of the question by Circulation. A Circulation Note is accordingly put up.

I ACCORDINGLY RECOMMEND,

"The Council approves the recommendation of the Corporation to convert one of the five posts of Assistant engineers in the Corporation to that of a Deputy Engineer in grade Rs.450-25-600 and to appoint Sri B.V.Vittal Murthy against this post on a tenure basis with a duty allowance of Rs.50/- and conveyance allowance of Rs.75/- per mensem."

PROCEEDINGS OF THE GOVERNMENT OF MYSORE

Letter No.LP-2 17/57-58 dated 23rd December 1957 from the Commissioner, Corporation of the City of Bangalore, forwarding for sanction the resolution dated 23rd December 1957 of the Corporation to convert one of the existing posts of Assistant Engineers in the Corporation on Rs.250-25-450 to that of a Deputy Engineer in grade Rs.400-25-600 plus Rs.75/- D.A. plus Rs.75/- C.A. and to appoint Sri. A.V.Vittala Murthy now working as Assistant Engineer in the Corporation against this post.

ORDER M.L. 5176-80 /etc 1-53-35

Dated, Bangalore, the 22/28 IV MS 53

The recommendation of the Corporation to convert one of the five posts of Assistant Engineers in the Corporation of the City of Bangalore to that of a Deputy Corporation Engineer in grade Rs.400-25-600 is sanctioned. The proposal to appoint Sri A.V.Vittal Murthy against this post is approved, on a temporary basis. He will however continue to draw duty allowance of Rs.50/- and conveyance allowance of Rs.75/- as heretofore. As this is a new post, the benefits of salary attached to this post will accrue from the date on which Sri Vittal Murthy reports for duty after handing over charge of his present post to the officer authorised by the Commissioner to take charge.

Proper distribution of work should be made among the remaining Assistant Engineers in execution of the work and definite spheres of duties must be assigned to the Deputy Corporation Engineer to avoid complications later on.

The proposition stated in the margin is accepted.

(V.Perumalswamy)
Asst. Secretary to Government,
L.S.G. & Planning Departments.
